Where Colorado ranks on new wind power

The U.S. Department of Energy is out with a pair of reports examining the state of the U.S. wind power market. Here's what they say about Colorado.

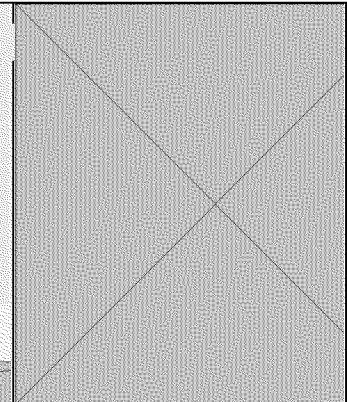

Manufacturer-entrepreneur files Chapter 11 amid Wells Fargo fight

Entrepreneur Craig Walker is in a fight with Wells Fargo over repayment of a 2002 loan to refinance the repurchase of a building in downtown Chicago.

For DBJ subscribers: Colorado pot growers face sky-high power bills

The marijuana industry uses a huge amount of energy for lighting and air conditioning — so much that Xcel Energy reduced a rate hike because of higher power sales. But all that electricity costs growers a
